• Make accounts now on **njp.gov.pk**, **ppsc.gop.pk** and the Army/Navy/PAF portals so you can apply the same day an ad comes.
• For clerk posts: learn typing speed 30+ wpm in English and basic MS Office - it is tested.
• Prepare General Knowledge, Pakistan Affairs, Islamiat, English, basic Maths - most tests use these MCQs.
• For Police / Rescue / Forces: start running and physical practice early (height, chest and running tests).
• Check age relaxation: govt usually gives extra years to applicants; read the ad carefully.
• Beware of fake ads on WhatsApp/Facebook asking for money via JazzCash/EasyPaisa. Official fees are paid only in bank challan stated in the ad.
