4. Tips for KP applicants

• Keep a valid **KP domicile certificate** ready (made at your District / Deputy Commissioner office). Most KP jobs reject without it.
• Make your ETEA account now so you can apply the same day an ad comes.
• Documents: CNIC, domicile, Matric & Inter DMCs (attested), photos, experience certificate if asked.
• ETEA tests: General Knowledge, Pakistan Studies, Islamiat, English, Maths, Computer basics. Practise past papers.
• Clerk / Computer Operator posts: typing speed 30-35 wpm is tested.
• Fees are paid only by bank challan / online method given in the official ad. Ignore WhatsApp "guaranteed job" offers.
